

London District Science and Technology Fair

Exhibit Ranking Work Sheet

Enter the **ranking**, eg 1 to 8, of each exhibit by each of the judges. Add the rankings, and the exhibits with the **lower** scores rank higher.

	Circle your Class, Category and Division			
Class	Individual	Group	Combined	
Category	Junior	Intermediate	Senior	
Division	Life Science	Physical Science	Technology	Product Evaluation
Judging Team Number				

	Exhibit Number									
Judge's Name										
Total Score										

Most of the time, this form will allow you to identify your top choices quickly. You will want to discuss this initial ranking in detail, particularly if there are big differences between judges. These differences must then be resolved through debate. When you have determined your final ranking, please transfer the information to the **Exhibit Ranking Form**. Thank you.
